

What Is Our Program Like?

Your child will be taught to follow directions, show consideration to others, and to learn about the world in which he/she lives. Spiritually, we teach each child to love God, to pray with gratitude, and to develop a positive faith-filled pattern of living.

Growth and development with child size equipment stimulates creative play. It is through play and movement that your child develops better muscular control and self confidence. Each child will be encouraged to solve problems and discover his/her own place in the world around them.

Through music, your child will learn to sing in a group, listen to music, and develop a sense of rhythm. During creative arts, your child will be taught to appreciate beauty, explore materials, and have the opportunity to create with natural expression.

The school maintains a balance between control and freedom, formal and informal activities, as well as active and calm periods to meet physical and emotional needs. Weather permitting, there is time for outdoor play.

Our Mission

Our mission is to help young people achieve academic excellence, mature in Christian character and grow in spiritual wisdom. We provide a distinctly Catholic educational and social environment to serve that mission.

Our Philosophy

As Catholic educators, we attribute all knowledge and being to God our Creator and source of truth.

Christ is the Center—Everything we teach is from a Christian world view, with the ultimate goal of bringing Christ into each heart.

Hearts First—In the tradition of St. John Bosco, our purpose is to reach the *hearts* of youth first, believing the way to their heart is through a rapport of mutual respect.

Parents, the First Teachers— We recognize parents as “the first and foremost educators of their children,” (John Paul II, Familiaris Consortio), and our goal is to extend the parents’ efforts. Active partnership with parents is a cornerstone of a Huron Valley Catholic School education.

Culture of Faith

We provide an atmosphere where...

Each child is:

- Given the opportunity to grow socially, physically and spiritually
- Loved unconditionally
- Encouraged to develop a personal relationship with Jesus Christ
- Taught respect for all human life
- Held to a code of conduct for speech and behavior that promotes honor and integrity
- Shown how to live their faith
