

The General Store Raffle

This year we are pleased to offer the General Store Raffle as a way to win fantastic prizes while supporting Huron Valley Catholic School.

Here is how the General Store Raffle will work:

Raffle tickets may be purchased on the night of the event from designated tables or roaming ticket sellers for \$1.00 each. All raffle ticket purchases will be made using the purchaser's bidder number (no cash).

Each General Store Raffle prize, many of which are described below, will have its own bowl to receive raffle tickets.

Guests will be able to place the raffle tickets they have purchased into the bowl(s) corresponding to the prize(s) they hope to win. Guests can put all of their raffle tickets into one bowl, or spread them out to several or all bowls. The more raffle tickets you place into each bowl the better your chances of winning that prize.

The winner of each prize will be chosen by drawing one raffle ticket from the bowl corresponding to that prize after the conclusion of the Live Auction.

The winning raffle ticket must be present at the time of the raffle to win. If no one appears with the winning raffle ticket at the time of the raffle, a second raffle ticket will be drawn from the bowl, and so on until we have a winner.

Some of the great prizes available in the General Store Raffle include:
